(the "Company")

Annual Report and Accounts and Notice of AGM

Corre Energy B.V. (the "**Company**"), one of Europe's leading Long Duration Energy Storage (LDES) companies, confirms that its Annual Report and Accounts for the year ended 31 December 2021 is available to view on the Company's website at: <https://corre.energy/>.

In addition, today the Company convenes its annual general meeting ("**AGM**") to be held on 28 June 2022 at 10:00am (CEST). The convening notice, the agenda and explanatory notes, and the proxy form are now also available on the Company's website at: <https://corre.energy/>

Due to the current Dutch law measures and recommendations relating to the coronavirus (COVID-19) and in accordance with the temporary Dutch COVID-19 Act ("**COVID-19 Act**"), shareholders cannot attend the AGM in person. The Company aims to assist its shareholders, including others entitled to attend the meeting, who wish to attend the AGM by providing the opportunity to participate in the AGM via video or telephone conference. In addition, the Company urges the shareholders, including others entitled to attend the meeting, to cast their votes by proxy.

It is expected that the COVID-19 Act will be extended by 2 months from and after 1 June 2022, in which case there will be no change to the current arrangement for the AGM. If, however, such extension does not occur, the meeting will be held on 28 June 2022 at 10:00 (CEST) at Gustav Mahlerplein 50, 1082 MA Amsterdam, the Netherlands and shareholders will be updated through the Company's website.
